

DNGC's International advisory board

Participant	Area of expertise	Institution
Tim Hubbard (Chair)	Bioinformatics	Genomics England/King's college London
Richard Rosenquist (Vice Chair)	Clinical Genetics, Genomic medicine, Precision diagnostics	Chair at Genomic Medicine Sweden / Karolinska Institute
Ruben Kok	Bioinformatics	Dutch Techcenter for Life Science
Valtteri Wirta	Genetics, Personalized medicine	Science for Life Laboratory / Karolinska Institute
Heidi L. Rehm	Genomic genomics	Broad Institute of MIT / Massachusetts General Hospital / Harvard
Kym Boycott	Clinical Genetics, Rare diseases, National infrastructure and health services	University of Ottawa
Dag Undlien	Medical genetics	Oslo University / Oslo University Hospital
Aarno Palotie	Neuropsychiatric, Human disease genetics, Personalized medicine	Institute for Molecular Medicine Finland (FIMM) / HiLIFE / University of Helsinki
Russ B. Altman	Biomedical informatics, Pharmacogenetics, AI, Genomics, Personalized medicine	Stanford University
Jean-François Deleuze	Human genetics, Medical genomics, Personalized medicine	Head of Centre National de Recherche en Génomique Humaine (CN-RGH) at CEA
